

Eldritch, The Trade

Now every day's like the last one,
Starting to live from the twilight
When light fades away becomes my day
You stepped all over my dignity
Blowing all my hopes away
In a friendship I had faith in..
HOW COULD YOU TRADE ME FOR MONEY?
HOW COULD?
WHY DID YOU CHANGE?
We grew up in perfect harmony
With nothing really bad to say
Regarding the points of view of life
As you met her you changed suddenly
Throwing your soul away
The entirety of your mind's gone
HOW COULD YOU TRADE ME FOR MONEY?
HOW COULD?
WHY DID YOU CHANGE?
Why did you, why did you change?
And throw your soul away?
