

Electrasy, Foot Soldierz

Why oh why, yeah the kids are screaming
don't make the MUSAK you don't believe in
killing time when you should be screaming
check my pulse yeah this heart's still beating
radio playing the same old shit
you start taking us for complete fools
you own it you control it
but me and my band yeah we missed the drag net...

FOOT SOLDIERZ!

I'm here to start a new religion
one that you have no control of
you pump the tune on your radio show
but nobody cares about you anymore
we're alien but we landed her first
and hit the scene just as the bubble burst
don't own us or control us
'cos me and my band yeah we rule the universe

FOOT SOLDIERZ!

It's not what you can do for your country
it's what your country can do for you
It's not what you can do for your country
it's what your country can do for you
It's not what you can do for your country
it's what your country can do for you
It's not what you can do for your country
it's what your country can do for you

FOOT SOLDIERZ!!!
