

# Electrelane, After The Call

All the things that I've done  
Go around in my head  
And I can't forget  
All the things she said

All the things that I've done  
Go around in my head  
And I can't forget  
All the things she said

What could I do?  
What could I do?  
What could I do?  
What could I do?

In her eyes  
In her eyes  
In her eyes  
It's all there in her eyes

All the things that I've done  
Go around in my head  
And I can't forget  
All the things she said

What could I do?  
What could I do?  
What could I do?  
What could I do?
