

# Electrelane, More Than This

I could feel at the time  
There was no way of knowing  
Fallen leaves in the night  
Who can say where they're blowing?

As free as the wind  
And hopefully learning  
For the sea and the tide  
Has no way of turning

More than this  
There's nothing  
More than this  
Tell me one thing  
More than this  
Oh there's nothing

It was fun for a while  
There was no way of knowing  
Like a dream in the night  
Who can say where we're going?

No care in the world  
Maybe I'm learning  
For the sea and the tide  
Has no way of turning

More than this  
There's nothing  
More than this  
Tell me one thing  
More than this  
Oh no, there's nothing
