## Electrelane, More Than This

I could feel at the time There was no way of knowing Fallen leaves in the night Who can say where they're blowing?

As free as the wind And hopefully learning For the sea and the tide Has no way of turning

More than this There's nothing More than this Tell me one thing More than this Oh there's nothing

It was fun for a while There was no way of knowing Like a dream in the night Who can say where we're going?

No care in the world Maybe I'm learning For the sea and the tide Has no way of turning

More than this There's nothing More than this Tell me one thing More than this Oh no, there's nothing
