Electric 6, I Know Karate

Two, three, four, five, six, seven, hooh!

I am the terminator, the love devestator I am the terminator, the love devestator I am the terminator, the love devestator I am the terminator, the love devestator, and

I know karate And I know how to get things done When the dust clears, I'll be the only one standing

Hooh!

I am the terminator, the love devestator I am the terminator, the love devestator I am the terminator, the love devestator I am the terminator, the love devestator, and

I know your number And I know that you're all alone And I intend to keep coming, keep coming, keep coming

Hooh!

I am the terminator, the love devestator I am the terminator, the love devestator I am the terminator, the love devestator I am the terminator, the love devestator
