

Electric 6, Improper Dancing

Everybody's doin, what they shouldn't be doin
Everybody's doin it in the middle of the street
Everybody's movin what they shouldn't be movin
Everybody's movin it in the middle of the street

Improper dancing in the middle of the street
Improper dancing in the middle of the street
Improper dancing in the middle of the street
Someone better go find the chief of police

Everybody's freakin what they shouldn't be freakin
Everybody's freakin it in the middle of the street
Everybody's showin what they shouldn't be showin
Everybody's showin it in the middle of the street

Improper dancing in the middle of the street
Improper dancing in the middle of the street
Improper dancing in the middle of the street
Someone better go find the chief of police

And I wanta
Reach into the fire of your heart
And I wanta
Program all the pieces from the start
Have you ever been to New York City

Music Starts to play (play)
Body's start to sway (sway)
Debbie Lees the DJ
in the middle of the street
Kids are droppin
Fires rockin
Hearts are stopping
Electric Shocking
I can't believe what I'm seein in the middle of the street

Improper dancing in the middle of the street
Improper dancing in the middle of the street
Improper dancing in the middle of the street
Someone better go find the chief of police
