

Electric 6, Naked Pictures (Of Your Mother)

Well nobody wants to burn in hell
But everybody's got a soul to sell
When i was young my mama gave me some advice
She said boy don't you know everybody's got a price?

I'll make lots of money, i'll make more money than you
I'll drive around in my limo that's what i was born to do
And i might like you better if we fuck together
If its not to be noted i got somethin' better for ya:

Naked pictures, of your mother
Naked pictures of your mother
Naked pictures, of your mother GO!

Solo

I dropped the bomb on Japan
I was a hostage in Iran
I'm the ugly american
Now, i'm a government man
A government man!

And i'll make lots of money, i'll make more money than you
I'll drive around in my limo that's what i was born to do
And i might like you better if we fuck together
If its not to be noted i got somethin' better for ya:
