Electric Callboy, Everytime We Touch (TEKKNO

I still hear your voice when you sleep next to me
I still feel your touch in my dream
Forgive me, my weakness, but I don't know why
Without you, it's hard to survive

'Cause every time we touch, I get this feeling
And every time we kiss, I swear I could fly
Can't you feel my heart beat fast? I want this to last
Need you by my side

'Cause every time we touch, I feel the static
And every time we kiss, I reach for the sky
Can't you hear my heart beat so? I can't let you go
Want you in my life

And I'll never let you down
I'm living on your love
And it's all that I need
But my heart goes boom
Every time that I see
Your pretty face
Oh, it cannot be real
So please don't wake me up
If this all is a dream

Don't wake me up
Don't wake me up
I wanna be by your side
Don't wake me up
Don't wake me up from this dream
'Cause you're all that I need

Your arms are my castle, your heart is my sky
They wipe away tears that I cry
The good and the bad times, we've been through them all
You make me rise when I fall

'Cause every time we touch, I get this feeling
And every time we kiss, I swear I could fly
Can't you feel my heart beat fast? I want this to last
Need you by my side

'Cause every time we touch, I feel the static
And every time we kiss, I reach for the sky
Can't you hear my heart beat so? I can't let you go
Want you in my life

'Cause every time we touch
'Cause every time we touch
'Cause every time we touch

'Cause every time we touch
'Cause every time we touch
'Cause every time we touch
I don't wanna be without you
No
Cause every time we-
No
I don't wanna be without you

'Cause every time we touch, I get this feeling
And every time we kiss, I swear I could fly
Can't you feel my heart beat fast? I want this to last
Need you by my side

'Cause every time we touch, I feel the static
And every time we kiss, I reach for the sky
Can't you hear my heart beat so? I can't let you go
Want you in my life

I want you and I hope that you can feel it too
Now!

'Cause every time we touch
'Cause every time we touch
