

Electric Frankenstein, Crank Action

1,2,3,4

Built for speed its all i need
There's rubber burning on the streets
CRANK ACTION!
Piston pumping suicide
Theres just no limit when i ride
CRANK ACTION!

chorus

Light goes green
Headlights gleam
Mean machine
Rev me up (2x)

No bad signs in my design
Its throttle down and double time
CRANK ACTION!
Muscle grease it turns outside
To hell i fade into the night
CRANK ACTION!

chorus

verse 1
REV ME UP!!
