ELECTRIC GUEST, This Head I Hold

They call me a little under They see I'm upset because I'm always in stuff But I don't know what it is I'm without I guess I'm in love with always feeling down It was fully consumed With all of the petty things that I couldn't do All of the plastic all are surely worn I ain't ever show I let it go So I listen while I'm told Sit back don't think get high Take drink sit back don't think The more I listen to people I sing 0000 I go higher and I say ooo Oh ooo I go higher This head that I hold, its so tired And I say oohh no I go higher And I said Oohh what's it gon, what's it gonna be, Make me say oohh, what's it gon, what's it gonna be I'm feelin' so cold, but they won't, but they won't believe Make me say oh, oh , oh , oh , ohh So find me stuck and unseen I wanna get out but there's no in between So I sit back as I watch the crowd go Never assuming that I'm something so low If I wanna be free I gotta stop playin' round and runnin' from me Cuz all of the plastic are surely worn Got my head feelin' low no one to throw So I listen while I'm told Sit back don't think get high Take drink don't feel just know If you listen carefully then you will feel so low Sit back don't think the more I listen to people I sing Ooooo I got higher and I say oh oo I go higher This head that I hold, its so tired And I say oh, no, I go higher, And I say oh, what's it gon, what's it gonna be Make me so oh what's it gon what's it gonna be I'm feeling so cold but they won't, but they won't believe Make me so oh, oh, oh, oh, oh!

I say oh I go higher!
And I say oh,oohh oh I go higher
Get no sleep feed the empire
And I say oh, no I go higher
And I say oh I go higher
And I say oh, oh oh I go higher
This head that I hold, its so tired,
And I say no go higher
