Electric Light Orchestra, Bluebird Is Dead

Little Darlin' of my life You keep movin' cross my mind You gave me a sunny day Now it looks as if I'll pay

Why do they say -- Bluebird is dead? I can still see her, touch her, my Bluebird The love that she gave, I don't believe, No, No, I don't believe

Bluebird came to me tonight Waiting patiently for light She said I know that you will grieve But my darlin' I must leave

Why do they say -- Bluebird is dead? I can still see her, touch her, my Bluebird The love that she gave, I don't believe, No, No, I don't believe

Bluebird say it is not so Please I cannot hear you speak It must be that you're so tired In the darkness of the night

Why do they say -- Bluebird is dead? I can still see her, touch her, my Bluebird The love that she gave, I don't believe, No, No, I don't believe
