## Electric Light Orchestra, Telephone Line

Hello--how are you Have you been alright, through all those lonely nights, That's what I'd say, I'd tell you everything, If you'd pick up that telephone.

Hey--how you feelin'
Are you still the same
Don't you realize the things we did were all for real not a dream,
I just can't believe
They've all faded out of view.

I look into the sky (The love you need ain't gonna see you through.) And I wonder why (The little things are finally coming true.)

## **CHORUS**

Telephone line, give me some time, I'm living in twilight Telephone line, give me some time, I'm living in twilight

O.K. so no--one's answering, Well can't you just let it ring a little longer I'll just sit tight, through the shadows of the night Let it ring for evermore.

CHORUS -- repeat
