

Electric Six, I Know Karate

I am the Terminator
Love devastator
I am the Terminator
Love devastator
I am the Terminator
Love devastator
I am the Terminator
Love devastator
and....

I know karate
and I know how to get things done
When the dust clears
I'll be the only one standing

I am the Terminator
Love devastator
I am the Terminator
Love devastator
I am the Terminator
Love devastator
I am the Terminator
Love devastator
and...

I know your number
and I know that you're all alone
and I intend to keep calling
and keep calling
and keep calling
huh!

I am the Terminator
Love devastator
I am the Terminator
Love devastator
I am the Terminator
Love devastator
I am the Terminator
Love devastator
