

# Electric Six, Rock And Roll Evacuation

This is an evil generation  
I seen it with my eyes  
I seen 'em walking around in their suits  
And honey I seen the ties

Evil girls biting good girls  
Turning good girls into evil girls  
Evil boys eating evil hamburgers  
Evil boys eating evil fries

This is an evil generation  
Rock and Roll Evacuation  
As far as the eye can see

Rock and Roll Evacuation  
In a fit of emergency

We are just hungry little creatures  
Feeding upon lies  
I seen 'em lining us up on the wall  
And drilling us with pies

Seen a man on the television telling me to listen to the radio  
Hear the man on the radio telling me  
no, no, no, no, no, no, no, no, no

This is a bad bad situation  
Rock and Roll Evacuation  
It's not looking too good to me  
Hey, Hey, Hey, Hey  
Evil Spreads across the nation  
Rock and Roll Evacuation  
Apocalyptic insurgency

You can kill the body child  
but the head is still gonna live  
You can give all your money now  
till there's nothing left to give  
You can play your electric guitar but it ain't gonna change the world  
You can get all emotional on me  
cryin like a little girl  
Cry

We are disposable creations  
they're throwing us away  
Ignoring everything that we do  
and everything that we say  
Mr. President tryin' to make a little money  
sending people you don't know to iraq  
Mr. President I DON'T LIKE YOU!  
you don't know how to ROCK!
