Electric Soft Parade, This Given Line

I know there's a space for this
There's a niche for this given line
I know we will make it up they will break it up given time
I know there's no use in this
So throw it all back in

And I know it's getting harder for you to choose
Who will lie, you can prove
And I know it's getting harder to feel secure
Who will lie, you can prove

I know there's a space for this
There's a niche for this given line
I know we will make it up they will break up given time
I know there's no use in this
So throw it all back in

And I know it's getting harder for you to choose
Who will lie you can prove
And I know it's getting harder to feel secure
Who will lie, you can prove

(I know there's no use)
And I know it's getting harder to feel secure
Who will lie, you can prove
And I know it's getting harder for you to choose
Who can lie, you will prove
