

# Electric Wizard, I, The Witchfinder

I am Albino, evil witchfinder  
I'll cleanse her sins,  
For witchcraft I condemn her  
My implements of torture are bloody red  
Your confession to sorcery will leave you dead

I am Albino, evil witchfinder  
I know she's guilty before I find her  
I'll pierce her flesh to find this mark

Torture, my pleasure, true servant of the dark

I... The Witchfinder (repeat very often)
