

# Electric Wizard, Return To The Son Of Nothingness

Dying sun fades in our sky  
The time has come for us to say goodbye  
Construct the pods, we must evacuate  
To the stars again, is this to be our fate?

Oh baby, just maybe, we'll take you  
To the sun of nothingness

We left the war pigs far behind  
Plot apocalyptic course to find  
Will we ever reach our journey's end  
To find a world and start again

Oh baby, just maybe, we'll return
