

Electrocutes, Jasmean

Warning it's early in the morning
I'm tired of all your porning and forning
Warning what can I do this morning
I'll make you leave and have to go touring
(Chorus)
It's hard to be nice
Not that I try
It's hard to be nice
Why should I be niiiiice

We hate that bitch we'll make her ass late
We'll make her throw up what she just ate
I hate that bitch I'll make her ass late
I'll make her throw up what she just ate

(Chorus)

Hey hey why don't you stay stay
We hate her more than we hate Lei Lei
Yeah yeah she just say blah blah
And when she's mad we get glad glad glad
