

# Electrocutes, Pink Piggies

I was walking around  
Up on the ground  
And I saw a little piggy  
On the ground so  
I put my foot up  
Over his head  
And then I kicked him  
In his piggy head  
Ha ha  
I kicked him in the head  
You never thought you'd be dead  
You just looked up and you said  
She's gonna kick me in the head

I was walking away  
The other day  
And I saw a little rat in my way so  
I put my foot up  
Next to his head  
And then I kicked him in  
His little rat head

I didn't think you'd be dead  
I just put up my foot and said  
I'm gonna kick him in the head

I was walking around  
On the ground and I saw a little  
Doggie on the ground so I put my  
Foot up over his head and then  
I stepped on his little doggie head

Ha ha  
I stepped on your head  
I never thought you'd be dead  
I just put up my foot and said  
I'm gonna step on your head
