

# Electronic, Twisted Tenderness

You  
Must think that I'm a fool  
This twisted tenderness  
Just leaves me cool  
You've got me in a mess  
You know it's true  
Out in the wilderness  
Here without you

Right outside  
It's a cruel world  
Something happening, it's distracting  
You're just bad news, girl

Never let that feeling die  
All you've got to do  
Is tell a little lie (tell a little lie, tell a little lie)  
Don't you know it's true?  
I will never let you down  
Spread this message all around  
That I hope and that I pray  
You can turn my life around

Take  
A look out there  
We're under house arrest  
And you don't care  
We could always be friends  
But you were careless right  
'Til the end

I feel guilty  
Oh, it's such a shame  
It's frustrating, it's a sad thing  
And there's no one else to blame

Never let that feeling die  
All you've got to do  
Is tell a little lie (tell a little lie, tell a little lie)  
Don't you know it's true  
I won't ever let you down  
Spread this message all around  
That I hope and that I pray  
You won't take my love to town

Tell a little lie, tell a little lie  
That's all you have to do  
Is tell a little lie (tell a little lie, tell a little lie)  
Don't you know it's true?

Right outside

Tell a little lie, tell a little lie  
That's all you have to do  
Is tell a little lie (tell a little lie, tell a little lie)  
Don't you know it's true?  
Don't you know it's true (don't you know it's true?)  
Don't you know it's true (don't you know it's true?)  
Don't you know it's true (don't you know it's true?)  
Don't you know it's true (don't you know it's true?)  
Don't you know it's true?
