

Electrosy, Foot Soldierz

Why oh why yeah the kids are screaming
Don't make the muzak you don't believe in
Killing time when you should be dreaming
Check my pulse yeah this heart's still beating
Radio playing the same old shit tunes
Stop taking us for complete fools
You own it you control it
But me and my band yeah we missed the dragnet

Foot Soldierz

I'm here to start a new religion
One that you have no control on

You pump the tune on your radio show
But nobody cares about you anymore
We're alien but we landed here first
Hit the scene just as the bubble burst
Don't own us or control us
Coz me an my band yeah we rule the universe

Foot Soldierz

It's not what you can do for your country, it's what your country can do for you
