

# Elemeno P, Fast Times In Tahoe

They say that absence makes the heart grow fonder  
but I doubt it, I really doubt it  
playing ping pong over oceans, messing with emotions  
messing with my head  
messing with my head

13 hours ago, I'm no longer at home  
fast times in Tahoe  
three thousand miles away  
what can i say  
fast times fast times to fast for me

and I don't care what you say  
to get me out of the way  
I got to get my message through to you

baby,baby,baby,baby,baby,baby,baby
