what to do what to do  
what to do what to do  
what to do what to do

what you should do is, show her whos the full pimp, whos rollin  
she give you a smile and scold you  
and if she does, take her out for dinner,  
toy struck gold, you found yourself a gold digger!

treat her with gifts, candle light dinners  
you know that pimp stuffs esquisit  
man i dont have no cars,  
its just chariots awaiting and hovercrafts

nar baby, check out the b-bar  
you know the size aint made at the freezer  
but that was before, shes taken everything  
and i aint got nothing any more

i met this chick at verona named charlemain  
i said hey can i buy you some chardine?  
she said no thanks my man is on his way  
blew smoke in my face and turned the other way  
im like, come on girl, talk to me  
put this jigga down and come take a walk with me  
lets go somewhere quiet and get to know each other better  
she put her fand in my face and said 'pssh whatever'  
all of her friends just cracked up laughing  
so put my hands to the floor for some boogy and dancing  
just another night of getting nothing at all,  
tryna hook up with these girls at this club called

heres a story of how we all tried to get inside  
but got told to get lost...

It felt like she worked at subway, she gave me a footlong,  
dressed to kill, her looks was causing my pants harm  
dark hair with streaks of bol  
party so hot i told her to stop drop and roll  
verona was the name that she gave me

a polonesian pocohontas  
yeah baby, she had big knockers  
i could tell she was out of my league  
a corperate office girl, what would she do with an MC?  
reality kicks in, i dont need verona  
im just gonna drink and score me a hang over

Hey my rebel,  
whats up? hows your night been? whats up whats goin on?

so there she was standing with some dude in a leather jump suit and a pair of pumps  
i stepped on up, and jumped in, im reptasetdacon

she said no  
i said yo, i can make you a big star girl lets go!  
she bust up my ultimate attack  
im not a velantrilliquist but she told me to talk to the hand  
you know who your talking to man? its all good in five minutes you'll be calling me back  
but then i came to my senses and realised it was just another sad case of rejection
