

# Element Of Crime, Long Long Summer

Hopping around in a big, fat puddle  
Kicking the tyres of a broken-down car  
All you need is a LONG LONG SUMMER

Video is a bore, television a torture  
Easy-listening popsongs don't work anymore  
All you need is a LONG LONG SUMMER

Look at the ducks: they are also waiting  
Their lake is half frozen or maybe half thawed  
All they need is a LONG LONG SUMMER  
All you need is a LONG LONG SUMMER  
All we need is a LONG LONG SUMMER
