

# Element Of Crime, Murder In Your Eyes

Don't you look at me  
Don't you look at me  
Today it's not the same  
As it used to be  
I can't help it

Don't you touch me there  
Today it's not the same  
Don't you touch me anywhere  
I can't help it

All of a sudden you're a stranger to me  
So cold, wild and cruel - a beautiful beast  
And I know I'm bound to fall in love with you

Don't you look at me  
Don't you look at me  
Today you're not the same  
As you used to be  
I can't help it

There's murder in your eyes  
I can't help it

All of a sudden you're a stranger to me  
So cold, wild and cruel - a beautiful beast  
And I know I'm bound to fall in love with you

To fall in love with you

All of a sudden you're a stranger to me  
So cold, wild and cruel - a beautiful beast  
And I know I'm bound to fall in love with you

To fall in love with you  
To fall in love with you  
To fall in love with you
