

Element Of Crime, You Shouldn't Be Lonely

When the dark clouds of sadness
come down over you,
when you wanna burst into tears,
when your nightmares come true,
when there's no friend in sight,
who's got time to spare
and someone should dry your eyes,
then I will be there

You shouldn't be lonely, sister,
when you feel blue
Just give me a phone call, sister,
and I'll cry with you
I'm your younger brother only
but I know what it means to feel lonely
when someone has broken your heart in two.

I heard he has left you
I heard he has gone
I pity him sister
I don't think he knows what he's done
He didn't deserve you
He's such a fool
I'm gonna kick him in the balls,
if that's what you want me to do
This is a cruel world,
as cruel as can be,
but I try to soothe you
You'd do the same thing for me
