

Elena, Señor Loc (feat. Danny Mazo)

You want a pice of my pie
I know you want it all
You may get horny if I
It was. loco
I got the candy that you need, loco
But I wont give you up for free

I'm not that easy baby.
I'm not that type of lady.
I like to play a little game.
Mi juego te tortura, una locura.
Let me take you on the sexy aventura.
Señor Loco, I tease you just un poco.
And make you feel caliente,
Caliente tonight.

Señor Loco, I touch you just un poco
And maybe give you more.
Give you more if I like.

Dale fuego, dale fuego dale fuego
Sigue, sigue
Dale fuego dale fuego

Señor Loco
You won't get more than a peak
Boy use your fantasy
I got some secrets to keep
That make you mentally
Loco
I know is driving you insane
Loco
So if i'm messing with your brain

I'm not that easy baby
I'm not that type of lady
I like to play a little game
Mi juego te tortura, una locura
Let me take you
On the sexy aventura

Señor Loco, I tease you just un poco
And make you feel caliente
Caliente tonight.

Señor Loco, I touch you just un poco
And maybe give you more
Give you more if I like

Dale fuego, dale fuego dale fuego
Sigue, sigue
Dale fuego dale fuego

Soy tu loco, tú mi nina bonita.
Yo quiero que me des tu boquita.
Romparamos el hielo,
Suéltate el pelo,
Zumba en el suelo,
Préndete un poco,
Tu huequito me pone nervioso,
Desespero cuando no te toco,
Me sofoco,
Sólo dale un fuego, entrégate.

I'm not that easy baby
I'm not that type of lady
I like to play a little game
Mi juego te tortura, pura locura
Let me take you
On the sexy aventura.

Senor Loco, I tease you just un poco
And make you feel caliente
Caliente tonight.

Senor Loco, I touch you just un poco
And maybe give you more
Give you more if I like

Dale fuego, dale fuego dale fuego
Sigue, sigue
Dale fuego dale fuego
Senor Loco!
