

Eleni Mandell, Easy On Your Way Out

Hey boy, you're lookin' fine
You're okay, boy
Do you feel all right?
You're easy on your out of town
Not so easy on your way back around

Your kisses were soft and sweet
My heart skipped
When you put your arm around me
You're easy on your way out the door
Not so easy when I want you more

I'm honest and true
Oh I still feel the same
Why don't you?

You told me you were makin' plans
Then you let go of me
When I took ahold of your hand
You're easy on your way out of town
Not so easy on your way back around
You're easy on your way out the door
Not so easy when I want more
More, more, I want more
