Girls, the boys don't cheat in Iowa City Iowa City nothing to do Now they're crisp and they're clean Iowa City Iowa Iowa Skies are blue

Not so, Chicago Never, New York When you're off and you're looking for something What can you do? Where can you go?

Girls, the boys aren't cheap in Iowa City Iowa City nowhere to go Now they're slippery and sweet In Iowa City Iowa Iowa Burning slow

When you're off and you're looking for someone What can you do?
Where can you go?
