

# Eleni Mandell, It's Raining

It's raining so hard  
Looks like it's going to rain all night  
And this is the time  
I love to be holding you tight  
But I guess I'll have to accept  
The fact you're not here  
I wish the night would hurry up  
And end my dear

It's raining so hard  
It's really coming down  
Sittin' by my window  
Watchin the rain fall to the ground  
This is the time  
I love to be holding you tight  
I guess I'll just go crazy tonight

It's raining so hard  
It brings back memories  
Of the time when you were here with me  
Counting every drop  
About to blow my top  
I wish the rain would hurry up and stop

I got the blues so bad  
I can hardly catch my breath  
The harder it rains  
The worse it gets  
This is the time  
I love to be holding you tight  
I guess I'll just go crazy tonight
