

# Eleni Mandell, Maybe, Yes

Maybe doesn't me hot  
Maybe doesn't burn me up  
Maybe doesn't make me sad  
Maybe makes me wonder why  
Maybe I'm in love with you  
Maybe I could love him too  
If you don't know what to say  
Maybe I will walk away  
Yes is sweet  
And yes my dear  
Yes makes maybe disappear

Maybe doesn't turn me on  
Maybe's not filet mignon  
If your answer's "I don't know"  
Maybe I will let you go  
Yes is tender  
Yes is true  
Yes says baby I want you  
Yes I do

Yes is smart  
Yes makes me laugh  
Yes says baby be right back  
Maybe isn't calm and cool  
Maybe better stay in school  
If you don't know what to do  
Maybe it's goodbye to you  
Yes is funny  
Yes is rich  
Yes says baby make a wish  
Or two
