

# Elf, Ain't It All Amusing

Baby if you flatter me, you might get somewhere  
But I ain't gonna flatter you 'coz I don't really care  
Ain't it all, ain't it all amusing

Now, now maybe if you get the sign, I might be a man  
Baby you forgot the time, I'll do the best I can  
Ain't it all, ain't it all, ain't it all amusing  
Well, ain't it all, right, right, ain't it all amusing

Make me laugh.....

Hey, Jack and Jill went up the hill  
To fetch a pail of water  
Jill fell down and broke her crown  
And that's the way it oughta.....  
Well, ain't it all now, all now, all, ain't it all amusing  
I say, ain't it all, right, ain't it all amusing

Oh, oh yeah

Oh, Baby if you flatter me, you might get somewhere  
But I ain't gonna flatter you 'coz I don't really care  
Ain't it all, ain't it all amusing  
Ha-ha  
Well, ain't it all, right, right, ain't it all amusing  
All amusing
