

Elisa, Asile's World (Ghost Track)

When I'm looking for the perfect things
I stand up and put another face
(it's a precious land)
you're exploring all you see
you should try everything
(are we sisters?)

when I'm looking for the perfect things
just stand up and put on another face
you're all exploring all you see
you should try everything
(it's a precious land)

perspiring deeply, watching these fears
just like planets, and I'm hot and I'm hot x4

I'm waking up in a good day
so happy walking into the sun
you're all exploring all you see
you should try everything
gimme some trust sister
gimme some time sister

perspiring deeply, watching these fears
just like planets, and I'm hot and I'm hot x4

yellow sun, keep on burning
wild wise earth, keep on turning
yellow sun, keep on burning
wild wise earth, keep on turning
yellow sun, keep on turning
wild wise earth, keep on turning
yellow sun, keep on burning
wild wise earth, keep on burning turning
yellow sun, keep on burning
wild wise earth, keep on turning
yellow sun, keep on burning
wild wise earth, keep on turning
