

# Elisa, Dancing

Time is gonna take my mind  
and carry it far away where I can fly  
The depth of life will dim my temptation to live for you  
If I were to be alone silence would rock my tears  
'cause it's all about love and I know better  
How life is a waving feather  
So I put my arms around you around you  
And I know that I'll be leaving soon  
My eyes are on you they're on you  
And you see that I can't stop shaking  
No, I won't step back but I'll look down to hide from your eyes  
'cause what I feel is so sweet and I'm scared that even my own breath  
Oh could burst it if it were a bubble  
And I'd better dream if I have to struggle  
So I put my arms around you around you  
And I hope that I will do no wrong  
My eyes are on you they're on you  
And I hope that you won't hurt me  
I'm dancing in the room as if I was in the woods with you  
No need for anything but music  
Music's the reason why I know time still exists  
Time still exists  
Time still exists  
Time still exists  
So I put my arms around you around you  
And I hope that I will do no wrong  
My eyes are on you they're on you  
And I hope that you won't hurt me  
So I put my arms around you around you  
And I hope that I will do no wrong  
My eyes are on you they're on you  
And I hope that you won't hurt me
