

# Elisa Fiorillo, Don't Be Afraid

How can you say goodbye, my love?  
When we haven't even said hello  
I see your face  
I feel your sadness  
I feel your pain inside of me

Why are you so afraid?  
How can you go on living in the past?  
I see your eyes  
I feel your pain  
I feel your sadness inside of me

Open your heart and smile for me  
You're not the only one afraid to fall in love  
Dance with me again  
And walk this way  
Don't be afraid to love again

Why can't we start all over?  
How long can we go on, feeling this loss of love?  
Why are you so afraid to feel the pain of love?  
Why are you so afraid to feel the joy of love?

I see your face  
I see your sadness  
I feel the pain inside of you  
Why are you so afraid to start?  
Don't be afraid of killing me with pain of love  
Don't!  
Don't be afraid to fall in love again

Don't be afraid to fall  
I'm falling  
I'm falling in love again  
Falling in love again

How can you say goodbye?  
When we haven't even had a chance to say  
I love you  
Yes I do  
Don't  
Don't be afraid  
Don't be afraid to love again
