

# Elisa, Happiness Is Home

Here it comes the joy of being alone  
Im such a child on my own, just a child on my own  
Cause I know its true and I see its right  
I know its true and I see its right  
Here it goes on happiness is home  
Here it goes on happiness is home  
Happiness is home  
Happiness is home  
And I know its not a dream  
I dont want this to be sweet  
I just know its not a dream  
Im not gonna get sick of it  
Cause I know its true and I see its right  
I just know its true and I see its right  
Here it goes on happiness is home  
Here it goes on happiness is home  
Here it goes on happiness is home  
Here it goes on happiness is home  
Happiness is home, happiness is home  
Dont you say it (I would say)  
Dont you say it (you talk too soon)  
Dont you say it and its already late to get back, to go back  
Here it goes on happiness is home  
happiness is home, happiness is home  
Here it goes on happiness is home  
happiness is home, happiness is home  
happiness is home, happiness is home  
Here it goes on, Here it goes on  
Here it goes on, goes on, goes on  
Is home  
Is home, happiness is like home and is my home
