

# Elisa, Labyrinth (Soundtrack Live)

Just like a spy through smoke and lights  
I escaped through the backdoor of the world  
and I saw things getting smaller  
fear as well as temptations

now everything is reflection  
as I make my way through this labyrinth  
and my sense of direction  
is lost like the sound of my steps  
I'm lost like the sound of my steps

scent of dried flowers  
and I'm walking through the fog  
walking through the fog  
scent of dried flowers  
and I'm walking through the fog  
walking through the fog

I see my memories in black and white  
they are neglected by space and time  
I stored all my days in boxes  
I left my wishes so far behind

I find my only salvation  
is playing hide and seek in this labyrinth  
and my, my sense of connection  
is lost like the sound of my steps  
is lost like the sound of my steps

scent of dried flowers  
and I'm walking through the fog  
walking through the fog  
scent of dried flowers  
and I'm walking through the fog  
walking through the fog

words sounds music and I'm spinning in  
words sounds music and I'm spinning out

but I want to stay here  
I'm waiting for the rain  
I want it to wash away  
everything, everything, everything

scent of dried flowers  
and I'm walking through the fog  
walking through the fog  
scent of dried flowers  
and I'm walking through the fog  
walking through the fog

scent of dried flowers  
and I'm walking through the fog  
walking through the fog  
scent of dried flowers  
walking through the fog  
walking through the fog
