

Elisa, Rock Your Soul (Soundtrack Live)

The more I think the less I see
When I'm able to walk
I'm the queen of my world
I let it rain on my skin
I don't let myself down
I don't let myself down
Wanna be one with you
I wanna be one with you, yeah

so, so the more that I think the less I do
when I'm able to talk
Yes I'm the queen of my world
I let it rain on my skin
And I don't ask myself why
I don't ask myself why
I wanna be one with you
I wanna be one with you, yeah

all I want is to rock your soul
all I want is to rock your soul
all I want is to rock your soul, yeah
and all I want is to rock your soul
all I want is to rock your soul
all I want is to rock your soul

I feel closer to the clouds
I'm touching all the highest leaves
I'm on top of the trees
my desires release
So we let it rain
On our skin
and you are holding my hand
I'm holding your life
'n feel like I'm one, cause I'm one with you
cause I'm one, I'm one with you, yeah

See all I want is to rock your soul
all I want is to rock your soul
all I want is to rock your soul
and all I want is to rock your soul
all I want is to rock your soul
all I want is to rock your soul

I think that I, I have to give you something more
so I show you my dreams
so make 'em our dreams
won't you just be?
I am what you see, yeah

all I want is to rock your soul
all I want is to rock your soul
all I want is to rock your, to rock your soul
and all I want is to rock your soul
all I want is to rock your soul
all I want is to rock your soul

together with the Sun
we'll shine (we shine) we shine... we shine...
together with the rain
we fall (in the air) we fall... we fall...
together with the Sun
we shine all the way
and together with the rain and the Sun
with the rain and the rain and the rain

and the Sun... we are
together with the rain and the Sun
only with the rain, the rain and the Sun...
the rain and the Sun
and the Sun
