

Elisa, Wild Horses

Childhood living is easy to do
See all the things that you wanted
Oh, I bought them for you

You graceless lady, you know who I am
Well you know that I cannot let you slide
slide through my hands.

Wild horses, couldn't drag me away
Wild, wild horses, couldn't drag me away

I watched you suffer a dull, aching pain
Now you decided to show me the same
So no, no sweeping exits or, or offstage lines
Can make me, can make me feel bitter or, or treat you unkind
No, no, no

Wild horses, couldn't drag me away
Wild, wild horses, couldn't drag me away

I know I dreamed you a sin and a lie
And I don't have my freedom, but I don't, I don't have much time
So faith, faith has been broken, and all the tears must be cried
So let's, let's do some living after we die!

Wild horses, couldn't drag me away
Wild, wild horses, we'll ride them someday, someday
Wild horses, couldn't drag me away, away, away, away
Wild, wild horses, We'll ride them, ride them, we'll ride them someday
Someday, someday, someday, someday
