

Elisabeth Withers, Heartstrings

[Verse 1:]

How Many Times Have I Asked Myself
Would You Love Me And Never Leave
You Know I Adore You Baby
You That I Need You Baby
How Many Times I Convinced Myself
I Could Be Everything That You Dreamed
You Know My Arms Are Shelter Baby
You Know My Heart Is Yours Baby

And Having You In The Front Row Of My Life
Is Better Than A Sold Out Crowd Every Single Night

[Chorus:]

You Make Me Scream High Like Tina (Oh!)
Shine Like I'm The Brightest Star
The Way Strumming On My Heartstrings
You Make Me Wanna Wail A Little Louder (A Little Louder)
I Feel Like Your New Guitar
The Way Strumming On My Heartstrings
Keep Strumming On My Heartstrings
Play It For Me

[Verse 2:]

How Many Times Did You Lay With Me
Touch My Body And Made It Breathe
That's Why I Adore You Baby
You Know I Really Need You Baby
How Many Times Did You Laugh With Me
Inspired Me To Believe I Trust Your Every Word
You Know I Wouldn't Doubt You

[Bridge:]

You Give Me A 1000 Melodies
I Want To Sing Them All About The
Way You Make Me Feel (So Don't Wake Me)
So Don't Wake Me If I'm In A Dream
I Got The Man I've Always Wanted
And He Makes Me Wanna Scream (Makes Me Wanna Scream)

[Vamp:]

I Wanna Be A Wish For You (Oh!)
Your Fairytale
Your Strong Bright Armor
A Smooth Summer Sail
Your Warm Caress
A Late Night Kiss (The Way You're Strumming On My Heartstrings)
I Wanna Be Your Tears Of Joy (Oh!)
The Ear You Tell (Oh!)
Your Shelter From The Storm
And Your Midnight Prayer
The Melody
The Song You Sing (The Way Strumming On My Heartstrings)
