

Ella Eyre, Careless

Why do i care
Why, why do i care
Why do i care
Why, why do i

Tryna be perfect
Perfect in your eyes
I know it ain;t worth it
But god damn i try

All of these eyes on my
eyes on my
i sit for love
ir despising me
perfect
yeah
teht''s not real life

whatever i say
whatever i do
people gon' talk
ain't noting new
whatever i say
whatever i do
whatever...
it don;t mean it's true

Why do i care
Why, why do i care
Why do i care
Why, why do i

Why am i checking if you checking on mr?
All of the stressing...
Be messin' with me

Why do i care
Why, why do i care
