Ella Eyre, If I Go

I could play anything for you I could say what you want me to I could lie, I could lie 'Cause you're wanting a little more And I'm stuck in the middle of, boy But I try, but I try And I need time, and I need space I need to live without your face

But if I go will you love me?
Will you love me until I can
Do you know will you want me?
Will you want me like that?
And if I leave, will it end?
Will you need me again?
If I go, will you love me?
Will you love me when I come back?

I could be what you want me to Can you hold out and let me do what I want? What I want? Tell me how long could you wait till you move on And tell me that it's too late! It's too late!

But if I go will you love me?
Will you love me until I can
Do you know will you want me?
Will you want me like that?
And if I leave, will it end?
Will you need me again?
If I go, will you love me?
Will you love me when I come back?

Ooh, boy Will you love love Noooo ooh oh oh

But if I go will you love me?
Will you love me until I can
Do you know will you want me?
Will you want me like that?
And if I leave, will it end?
Will you need me again?
If I go, will you love me?
Will you love me when I come back?
