## Ella Fitzgerald, Hooray For Love

It's the wonder of the world, It's a rocket to the moon It gets you high, it gets you low, but once you get that glow...

Here's to my best romance, Here's to my worst romance Here's to my first romance - ages ago Here's to the boys I've kissed, and to complete the list Here's to the boys who said "No!"

Love, love, hooray for love Who was ever too blase for love Make this the night for love If we have to fight, let's fight for love

Some sigh and cry for love Ah, but in Pa-ree they die for love Some waste away for love Just the same - hooray for love!

It's the rocket to the moon, with a touch of "Clare de Lune" It gets you high, it gets you low, but once you get that glow...

Some trust to fate for love, Others have to take off weight for love Some go berzerk for love Loafers even go to work for love

Sad songs are sobbed for love People have their noses bobbed for love Some say we pay for love Just the same - hooray for love!
