Ella Fitzgerald, You Leave Me Breathless

You leave me breathless You heavenly thing You look so wonderful You're like a breath of spring You leave me speechless I'm just like the birds I'm filled with melody But at a loss for words That little grin of yours That funny chin of yours There's so much to my heart Or give your lips to me For darling that would be The final touch to my heart You leave me breathless That's all I can say I can't say more because You take my breath away
