

Ella Washington, He Called Me Baby

He called me baby, baby all night long,
Used to hold and kiss me till the dawn,
Then one day I awoke and he was gone,
There's no more baby, baby all night long.

He called me baby, oh baby all night long,
Kissed my tears away, ?????,
What I'd give for you to just come on back home,
Call me baby, baby all night long.

He called me baby, oh baby all night long yes he did,
Held me up so high and made me strong,
Now each night and dreams just like a song,
I hear my baby, baby all night long.

Ohhh hear my baby, oh baby all night long,
He held me up so high and made me strong,
Ohhh baby, ohh baby, come on back home,
Never never never, never never will I be alone.

Ohhhhh baby, ohhh baby all night long,
He held me up so high and I wanna tell ya made me strong,
I can still hear my baby call me baby,
(fade out)
