

Elles De Graaf, Show You My World

Sympathize
No more lies
Live to learn
One single time
Each moment (moment)
Play the rich
Spread, don't preach
Innocence and
Love will heal
Each moment (each moment)
Sweetness all around us
Just taste it all
Your wishes all the way to heaven
Bless us all
The kind will only bring us joy
Love will save the day
We will never fall again
Compassion is the way
Chorus:

3x

Let me show you my world
Open your heart to my soul
My love is complete
Complete at your feet
As much as you need
Breathing in
Breathing out
Action gives reaction
Cause each moment (moment)
Trust in life
Trust in now
Letting go is everythi ng
Each moment (each moment)
Sweetness all around us
Just taste it all
Your wishes all the way to heaven
Bless us all
The kind will only bring us joy
Love will save the day
We will never fall again
Compassion is the way
Chorus:

2x

Let me show you my world
Open your heart to my soul
My love is complete
Complete at your feet
As much as you need
