

# Ellie Campbell, You're No Good

Say it again  
Say it again  
No no  
Say it again  
Say it again  
Say it again  
Say it again

Feelin better  
Now that we're through  
Feelin better  
Cause I'm over you

I've learned my lesson, it left a scar  
And now I see how you really are

You're no good, you're no good  
You're no good, oh baby you're no good  
(I'm gonna say it again)  
You're no good, you're no good  
You're no good, oh baby you're no good

Say it again  
Say it again

Broke a heart  
That's gentle and true  
I left a boy  
For someone like you

I begged his forgiveness on bended knee  
But I wouldn't blame him if he said to me

You're no good, is no good  
Is no good, oh baby is no good  
(I'm gonna say it again)  
Is no good, is no good  
Is no good, oh baby is no good

No good  
Say it again  
Say it again  
Say it again  
Say it again

If he'll have me we'll start anew  
It'll be easy forgetting you

You're no good, you're no good  
You're no good, oh baby you're no good  
(I'm gonna say it aloud)  
You're no good, you're no good  
You're no good, oh baby you're no good

Say it again  
Say it again

I'm warning you now baby  
And I'm going away  
Forget about you baby  
I'm a-leaving to stay

I'm no good, you're no good  
You're no good, oh baby you're no good

Say it again  
Say it again

You're no good, you're no good  
You're no good, oh baby you're no good  
(I'm gonna say it again)  
You're no good, you're no good  
You're no good, oh baby you're no good

Say it again  
Say it again  
You're no good, you're no good  
You're no good

Say it again  
Say it again  
No good  
You're no good  
You're no good, you're no good  
You're no good, oh baby you're no good  
Say it again  
Say it again  
Say it again  
Say it again
