

# Ellie Goulding, CLOSE TO ME (ft. Diplo, Swae Lee)

even though we both know we are liars  
And we start each other's fires  
We just know that we'll be alright  
Even though we're kicked out the party  
Coz we both hate everybody  
We're the ones they wanna be like

so don't let me down  
keep me in trouble  
born to be wild  
out in the jungle

and I don't wanna be somebody without your body  
close to me  
and if it wasn't you, I wouldn't want somebody  
close to me  
cause I'm an animal, animal  
li and I don't wanna be somebody without your body  
close to me

you can never come too close for comfort  
I had to cut my bitch off  
she being stubborn  
I make it known I fuck with you  
not undercover  
and when I jump in  
I am burning rubber  
iced out body  
don't go to collage

and I don't wanna be somebody without your body  
close to me  
and if it wasn't you, I wouldn't want somebody  
close to me  
cause I'm an animal, animal  
li and I don't wanna be somebody without your body  
close to me
