

# Ellie Goulding, In This Together (piosenka z seriala

is this really over  
... see to get longer  
how do we get here  
so much love in eyes

all I have left is my  
I can change

I can .. burn  
I can .. burn to the ground

do you thog we could ....  
by now

I can hear the whole world singing together  
I can hear the whole world see it's know or never  
coz it's not too late if we change our ways  
and .. to our problems  
I can hear the whole world singing together  
we in this together

picking up the pieces  
I listen out for beating heart  
now it's time for healing  
the sun will rise  
but this time is so bright  
and all I have left is the faith  
that we can change

I can't lose what I've just found

I can hear the whole world singing together  
I can hear the whole world see it's know or never  
coz it's not too late if we change our ways  
and .. to our problems  
I can hear the whole world
